

Licensed Childhood Thrive Practitioner Training

Every Need Ltd are running a face-to-face course in September 2025 for school staff to become **Licensed Childhood Thrive Practitioners.**

We are incredibly passionate about the Thrive approach and the positive impact it has on children and young people.

With the growing mental health crisis among students, its trauma-informed, whole school approach equips staff with the understanding and tools to provide targeted support- ultimately improving well-being, attendance, behaviour and reducing exclusions.

Course Information

One day a week 9am-4pm for 8 weeks £1,660 starting September, date to be confirmed.
